Whistler Blackcomb announced that the new lift-accessed area in the high alpine of Whistler Mountain will be crowned the Symphony Amphitheatre to reflect its spectacular natural amphitheater-like terrain. The area will be accessed by the newly named Symphony Express. The Symphony Amphitheatre brings to the forefront one of Whistler Mountain's favorite in-bounds backcountry experiences. Long referred to by locals as the Musical Bumps, Piccolo, Symphony and Flute Bowls are the encore to Whistler's Harmony Bowl, but until now have been reserved for those willing to hike for their turns. This winter, the Symphony Express will provide access to over 1,000 acres of this intermediate and advanced terrain.

The zone's new name was inspired by the area's natural theater-like setting with its unmatched views, vast open bowls, deep snow and gladed finales. Following the theme, the area also features new run names such as Rhapsody Bowl, Adagio, Founders' Run, Staccato Glades, Glissando Glades, Encore Ridge, Flute Bowl, North Flute Bowl and Hidden Chute. These new trails add to the established runs in the region such as Burnt Stew Trail, Symphony Bowl, Sun Bowl, Harvey's Harrow, Robertson's Run and Crescendo.

This experience gives you an introduction to Tactical Fighter Maneuvers using the actual skills taught to current military fighter pilots. After being fitted with a full flight suit and completing the air combat briefings you'll climb into the fighter aircraft alongside your instructor. With your hands on the controls you will engage in five to six combat engagements. Your flight will be recorded on video-tape and reviewed in a flight debriefing and we'll even give you a copy to take home at the end of your amazing day.

The instructors, both military and civilian, have enviable credentials. Most are former military fighter pilots from the Air Force, Navy and Marine Corps, and several are graduates of Red Flag and the Navy Fighter Weapons School. This fighter pilot experience features SIAI Marchetti SF-260 and Extra 300L propeller planes, the types used by the military in training their fighter pilots and so it will give you the best experience. With 260-300hp, they are capable of airspeeds up to 236 knots, +6 G-forces and are highly maneuverable giving you the most realistic air combat and fighter pilot experience available.

**Restrictions:** Pilots must weigh less than 250 pounds and stand no taller than 6' 7".

**Things to know:** There are just two participants in each class. Since you will be suited up in a flight suit for this activity, you may wear whatever is comfortable for the air temperature. We suggest rubber-soled shoes (i.e. tennis shoes work well). Get a good night's sleep and avoid an overabundance of alcohol the night before your flight. Guests may sit in on the briefing and watch as you take off and land. Missions are conducted approximately 25 miles from the airfield so guests will be unable to view the actual flight. The instructor will fly the plane during take-off and landing.

Your afternoon is open to explore Dublin's Georgian city. There is plenty to see and do with visitor attractions such as the Jameson Distillery, Trinity College, Dublin Castle, Kilmainham Goal, and St. Patrick Cathedral. Stay overnight at the **Mont Clare Hotel (3-star)**.

Start with a full Irish breakfast included at the hotel. The morning is free time to visit all the above attractions that you couldn't fit in the previous day. **Includes two VIP tickets to the Guinness Storehouse**, Dublin's top visitor attraction. **Rental car provided** for the drive to the lively town of Ennis, Co. Clare (approximately three hours from Dublin), and stay overnight at **The Old Ground Hotel (4-star)**. The evening is free to explore the town.

### **Day 3**

Enjoy a full Irish breakfast at The Old Ground Hotel. Depart Ennis for a **day tour on the Aran Islands**. The Aran Islands are rich in the language, culture and heritage of Ireland; unique in its geology and archaeology and its long tradition of gentle hospitality.

Drive to Doolin (approximately 45 minutes) to board your boat to the Aran Islands at 10:00am. Arrive at **Inishmore** ("Inis Mór"), the largest of the three Aran Islands. You will have time to walk around at your leisure before making your way to the Fisherman Pub at 12:00pm to hop on board the Aran Island bus tour where you will **learn the history of the island while stopping at attractions such as Dun Aengus and the Seven Churches**.

Dun Aengus is the most famous of several prehistoric forts on the Aran Islands, located at the edge of a high cliff. A popular tourist attraction, **Dun Aengus is an important archaeological site that also offers a spectacular view**. It has been called "the most magnificent barbaric monument in Europe." Continue your journey to the "**Seven Churches**" which dates back to the 8th century. Only two of these churches remain intact; the rest lie in ruins. Return on the afternoon ferry to Doolin and drive back to Ennis. Stay overnight at **The Old Ground Hotel**.

### **Day 4**

The Gap of Dunloe is a beautiful glacial valley in the Macgillycuddy's Reeks mountain range, which dominate the skyline of Killarney. The three main lakes of Killarney and the mountains that surround them are all within the Killarney National Park. The Lower Lake is nearest to the town; it is studded with islands and has **Muckross Abbey** and **Ross Castle** on its eastern shore.

The boat ride continues passing under high mountains, arched bridges and to Inisfallen Island, home to ruins of **Inisfallen Abbey** which dates back to 600 AD. Your boat journey will continue on to **Ross Castle** in the heart of Killarney National Park. Return to Killarney in the late afternoon and stay overnight at the **Randles Court Hotel**.

The birthplace of golf and the British Open Championship, Scotland is many golfers' dream golf vacation destination. The most popular and famous are the links courses that have evolved on sandy coastal strips which, centuries ago, were beneath the sea. Here nature is the architect, the course being fashioned out of the natural terrain rather than having design imposed upon it. All about you, there is an overwhelming atmosphere of history... knowing you are walking in the footsteps of the greats who made golf the game it is today.

## Carnoustie Golf Links (Angus, Scotland)

Enjoy **one round of golf for two on Carnoustie's Championship Course**. Carnoustie is located north of St Andrews, across the Firth of Tay, in the east of Scotland. Situated in the town of Carnoustie, Angus, the links are ranked as one of the most difficult of all the Open Championship venues with player records dating back to 1527 -- even before the game reached St Andrews. In 1953, Ben Hogan came here to play in his only British Open Championship. Its historic Championship golf course has hosted the Open Championship seven times, the Senior British Open in 2010, and most recently the Women's British Open in 2011. Carnoustie is approximately 27 miles (55 minutes) by car from St Andrews.

**The Championship Course** - "A Monster" or "the Beast" are terms most associated with the Carnoustie Golf Links' Championship Course, nearly universally acknowledged as **the most difficult course in Scotland**. Prior to the 1937 Open Championship, the final three holes were redesigned by James Wright, who produced what has come to be regarded as the toughest finishing stretch in golf. The Carnoustie Championship Course is now in the finest condition it has ever been. Not only does it **offer the ultimate challenge to every golfer** but it provides a playing quality second to none. (6,941 Yards/Par 72) **Note:** Players must be at least 14 years of age.

## Fairmont St Andrews / The Torrance Course

Originally designed by Sam Torrance, the Torrance Course is now re-designed with eight new holes and classic Scottish revetted bunkering throughout Scottish style links design. This course is a test for all levels from tour professionals to amateur golfers. With beautiful sea views and intricate USGA greens, the Torrance Course is one of Scotland's finest. (7,230 Yards/Par 72)
