

RSNA Intracranial Hemorrhage Detection Challenge Terms of Use and Attribution

You may access and use these de-identified imaging datasets and annotations (“the data”) for the purposes of academic research and education, and other non-commercial purposes as long as you agree to abide by the following provisions:

1. Not to make any attempt to identify or contact any individual(s) who may be the subjects of the data.
 2. If you share or re-distribute the data in any form, to meet the attribution requirements described below:
- Provide a link to [RSNA-ASNR Intracranial Hemorrhage Detection Challenge image datasets and annotation files](#):
 - Include a citation to the 2020 *Radiology: Artificial Intelligence* paper:

AE Flanders, LM Prevedello, G Shih, et al. [Construction of a Machine Learning Dataset through Collaboration: The RSNA 2019 Brain CT Hemorrhage Challenge](#). *Radiology: Artificial Intelligence* 2020;2:3.
