

## Inline Exhibits

The minimum exhibit space is 10' x 10' and rented in multiples (10' x 20', 10' x 30', etc.). The back 5' of the basic exhibit may be occupied up to a height of 8'. The front 5' of the rented space may be occupied from the floor up to a height of 4'. Equipment/product may exceed the 4' height limit but may not be higher than 8' and must be placed so as to not block the view or impede the sight lines of adjacent exhibits. Live or video demo stations must be confined to the back 5' of the rented space.

- Exhibitors are required to provide floor coverings for all booths.
- RSNA will set each inline booth with 8' high back drape, 3' high side rail and a 17"x11" one-line identification sign.
- Hanging signs are not permitted.
