

RSNA Health Equity Committee and R&E Foundation Emerging Issues Grant Recipient Fireside Chat

2024 RSNA Scientific Assembly and Annual Meeting

Wednesday, December 4, 2024

Discovery Theater, Lakeside Center, McCormick Place

RSNA Health Equity Committee and R&E Foundation Emerging Issues Grant Recipient Fireside Chat

Moderators

Michael S. Gee, MD, PhD

RSNA Board of Trustees

Anand Narayan, MD, PhD

RSNA Health Equity Committee

History of RSNA Research & Education Foundation Emerging Issues Grant Program

- Established in 2021 to address timely and urgent research topics outside of existing grant funding cycle
- RSNA entities/committees invited to submit EI grant topics on an ongoing basis; BOT selects topics to pursue and RFA drafted in 120 days (nimble process to offer funding)
- List of prior EI grant topics:
 - **Interventions/solutions to healthcare disparities**
 - **Long-term effects of COVID-19**
 - **Value Based Radiology**
 - **Increasing radiology workforce diversity and/or decrease health disparities**
 - **Environmental impact & sustainability of radiology**
 - **Addressing the radiologist workforce shortage**

DE&I and Health Equity at RSNA 2024
